

Pattern — Assembly map

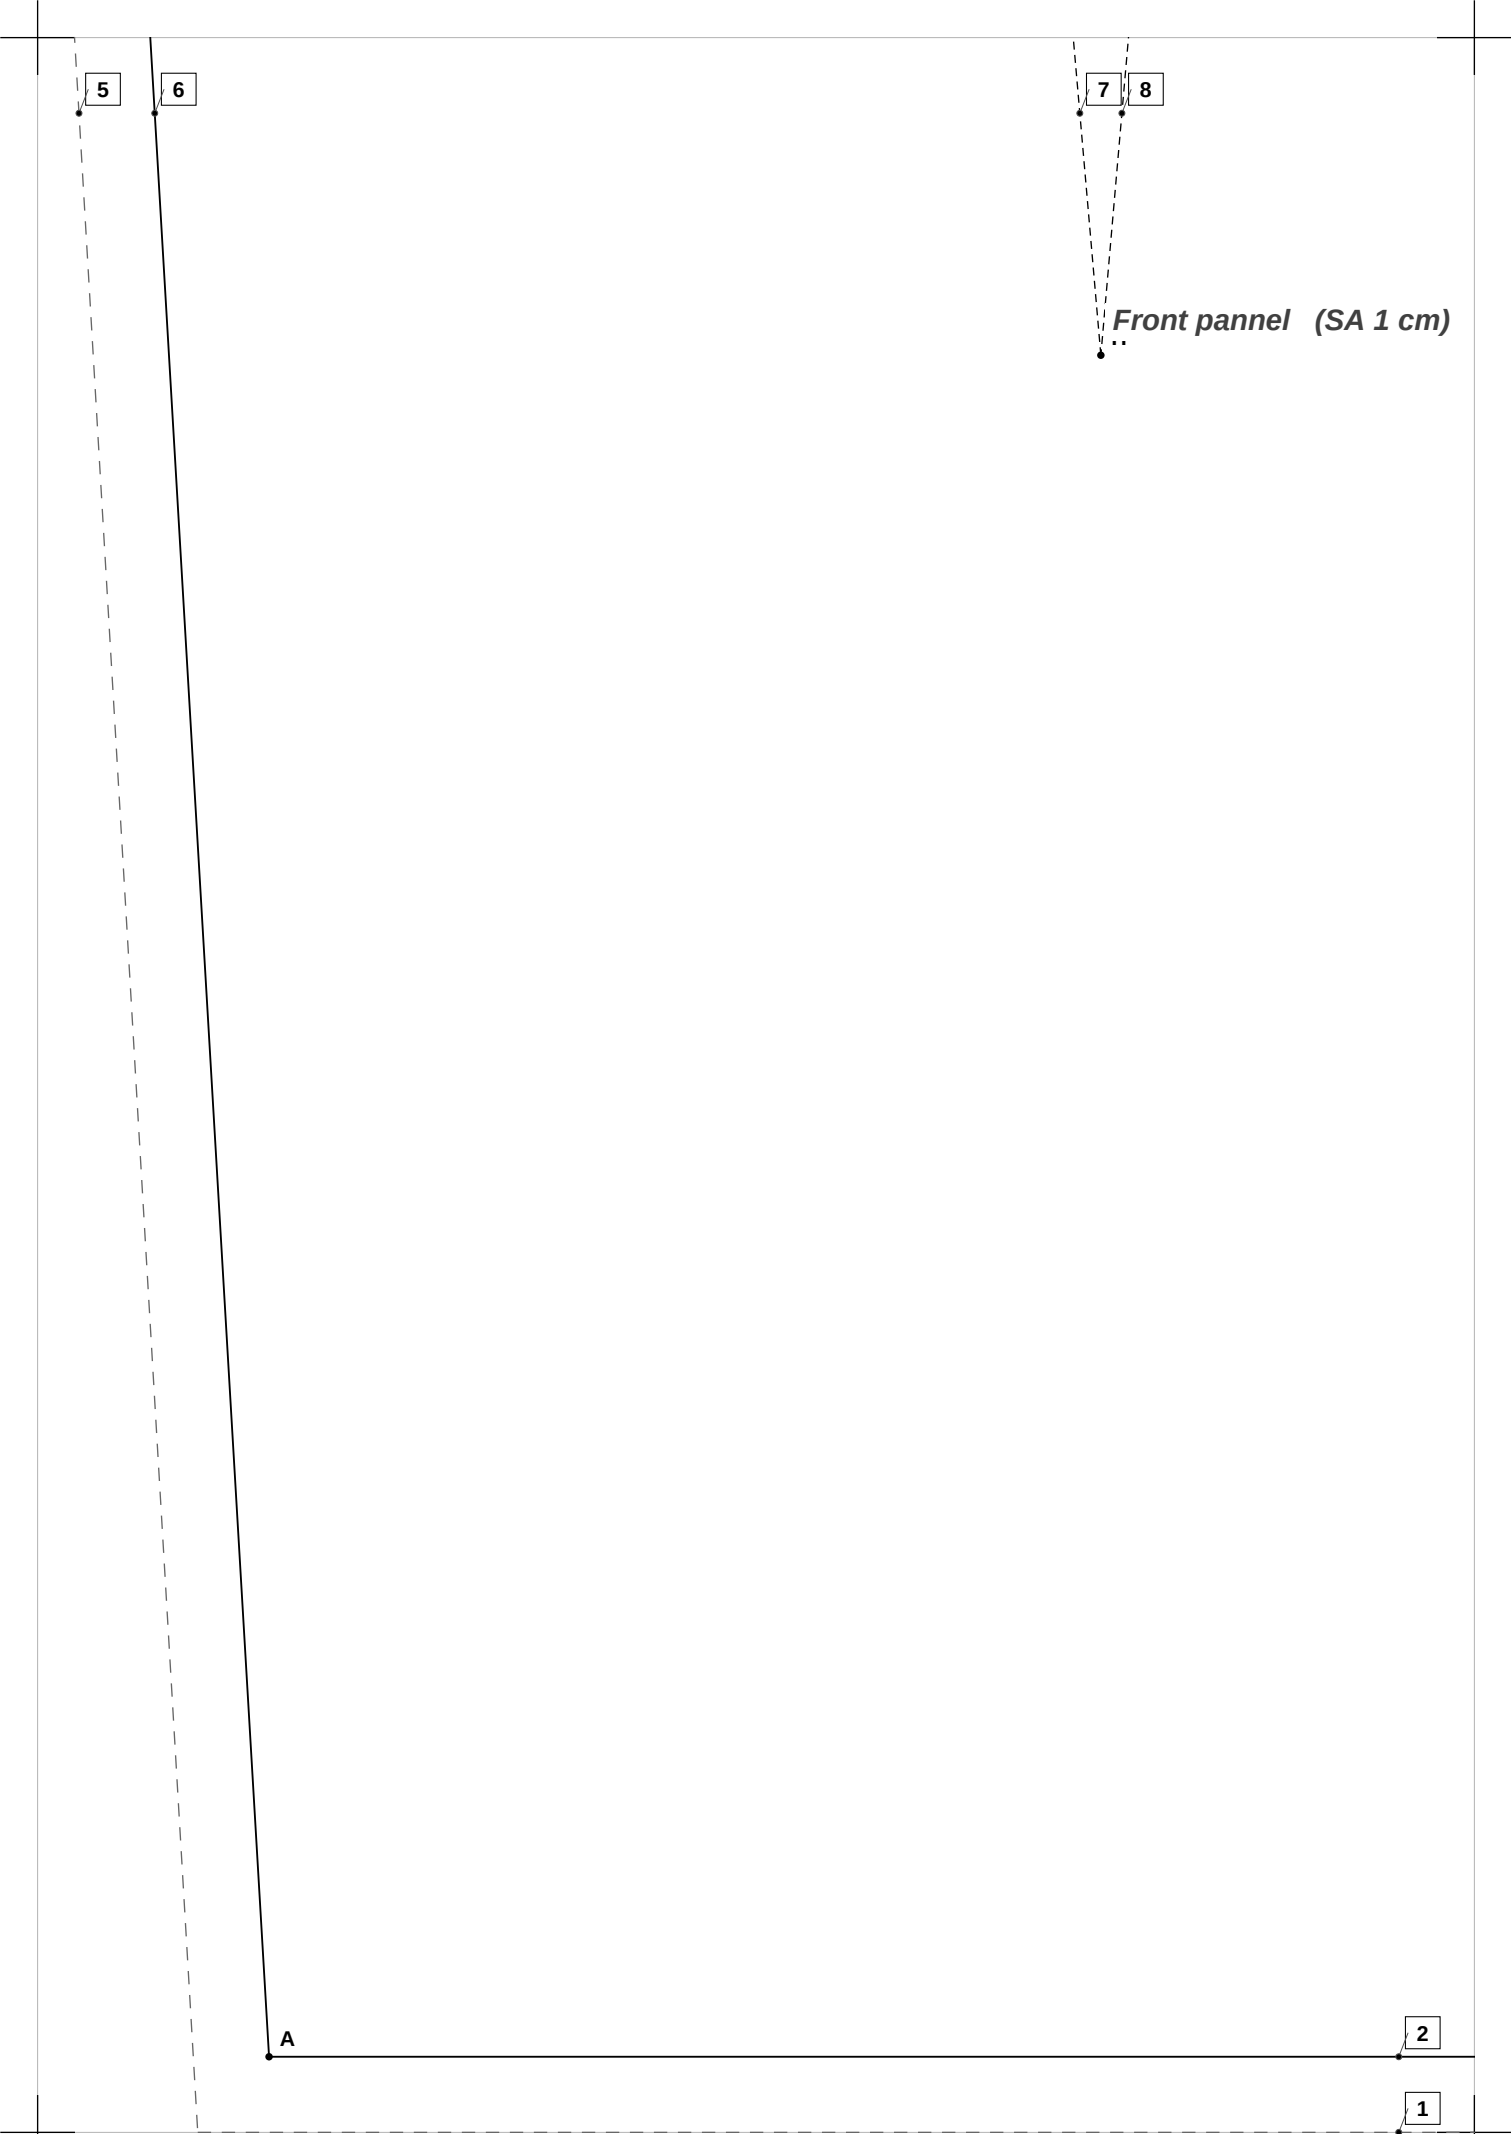

Pattern size: 38.1 cm wide x 36.0 cm tall
Tiles: 3 columns x 2 rows (6 pages)
Print at 100% scale (NO 'fit to page' or 'shrink to fit').
Each tile has a 1 cm overlap. Align overlap and tape.
Numbered boxes at tile edges match across adjacent pages — align same-number marks to register pages precisely.
Parts:

- Front pannel (seam allowance 1 cm)

Verify print scale: a real ruler should match this to the millimetre.
